WORK EXPERIENCE

Mechanical Engineer

Expleo Group | *Bucharest, Romania*

04/2022 - Present

My role involves managing the product development with the suppliers and client's specialists, maintaining a good partnership between the suppliers and the client and controlling the quality of the deliverables issued by the supplier and the design team.

Intern

S.C. Donau CHEM S.R.L | *Turnu Măgurele, Romania*

01/07/2020 - 31/07/2020

Worked within a maintenance team to ensure the factory was working accordingly and to make sure the equipment was clean and ready to use.

Concierge

Mera Onix Hotel | *Cap Aurora, Mangalia, Romania*

06/2019 - 09/2019

This job helped me develop my communication skills, organizational and interpersonal skills since I had to meet and greet tourists from different parts of the country.
